9 – PHYSICAL AND CHEMICAL PROPERTIES

Boiling Point: >212°F
Vapor Pressure (mm Hg): N/A
Vapor Density (Air = 1): N/A
Evaporation Rate: <1
VOC: .01%
Specific Gravity: 1
Melting Point: N/A
Solubility in Water: Soluble
pH: 6.5-7.5
Appearance and Odor: Clear gel with coconut fragrance

10 – STABILITY AND REACTIVITY

Stability: Stable
Conditions to Avoid: N/A
Incompatibility: Strong oxidizers and strong acids
Hazardous Decomposition or Byproducts: None
Hazardous Polymerization: Will not occur

11 – TOXICOLOGY INFORMATION

Toxicity: No data available

12 – ECOLOGICAL INFORMATION

Environmental Effects: No known environmental effects or critical hazards
Aquatic Toxicity: No known aquatic toxicity or critical hazards

13 – DISPOSAL INFORMATION

Disposal Considerations: Disposal of unused product must comply with all regional and federal guidelines. The generation of waste should be avoided or minimized whenever possible.

14 – TRANSPORT INFORMATION

Transportation Considerations: No special transportation is required

15 – REGULATORY INFORMATION

OSHA HAZARD COMMUNICATION RULE, 29 CFR 1910.1200:

The Occupational Safety and Health Administration requires Safety Data Sheets to provide any hazards that may be associated with the product, and make this information available in the workplace. Since the use pattern and exposure in the workplace are generally not consistent with those experienced by consumers, this SDS may contain additional health hazard information not pertinent to consumer use.

EPA – SARA TITLE III SECTION 313:

Not applicable – consumer product

EPA – CERCLA/SARA TITLE III SUPERFUND AMENDMENT AND REAUTHORIZATION ACT:

This product contains no CERCLA/SARA Title III materials. This product contains no hazardous chemicals reportable under Sections 311 and 312. This product contains no hazardous chemicals reportable under Section 304.

TSCA:

All components of this product are either listed on or exempt from the U.S. Toxic Substances Control Act (TSCA) chemical substance inventory.

CLEAN AIR ACT:

This product does not contain any hazardous air pollutants.

This product does not contain any Class 1 ozone depleters.

This product does not contain any Class 2 ozone depleters.

CLEAN WATER ACT:

None of the chemicals in this product are listed as Hazardous Substances under the CWA.

None of the chemicals in this product are listed as Priority Pollutants under the CWA.

None of the chemicals in this product are listed as Toxic Pollutants under the CWA.

CALIFORNIA PROPOSITION 65:

No significant risk level. None of the chemicals in this product are listed.

16 – OTHER INFORMATION

All statements, technical information and recommendations contained herein are based on available scientific tests or data that we believe to be reliable. The accuracy and completeness of such data are not warranted or guaranteed. We cannot anticipate all conditions under which this information and our products, or products of other manufacturers in combination with our products, may be used. Ampro Industries, Inc. assumes no liability or responsibility for loss or damage resulting from the improper use or handling of our products, from incompatible product combinations or from the failure to follow instructions, warnings and advisories on the product label and Safety Data Sheet.
